

SIGN UP FOR SCHOOL LINKS

Carmel College has been using SCHOOL LINKS for some time now.

This is a web-based communication portal that helps us communicate with you and enables you to :

- Notify us if your daughter is to be absent
- Receive TXT alerts if your child is marked absent
- Receive TXT alerts about sports cancellations, change of venue etc.

We can also use School-links to enable the communications between school and home if we need to close the school in the event of a pandemic or emergency. You will need to sign up to School-links to receive these communications.

We are currently in the process of moving to a new version of School-links. If you have previously signed up to School-links you will need to re register as we cannot transfer the details to the new version.

To sign up go to www.school-links.org.nz, in the blue area labelled '*Find Your School*', type in '*Carmel College*', and follow the sign up procedure prompts.

Once we have your submitted details we will activate your new School-links account and you will receive an email confirmation from School-links containing a user name and password which will give you access to the Carmel school portal.

**Any queries please call Jane Leishman on 486 1132 ext716 or
JCLEishman@carmel.school.nz**
