**There is no direct entry into Medicine.** Students will need to do a first year of either BHealth Science or BSc in Biomedical Science. The one you chose should relate to your interests and abilities as well as what you might do if you don't get into Medical School at the end of that first year. If you choose to do the Bachelor of Health Science you will need a full A Level in at least one subject from Table B. If you choose the Bachelor of Biomedical Science you do not. The minimum English requirement is 4 credits in reading and 4 credits in writing at Level 2 NCEA or an E in AS English. For the Bachelor of Pharmacy full A Levels in Biology and Chemistry are preferred.

**Enrolments** are done on- line. Visit the website <http://www.auckland.ac.nz/> or e-mail [studentinfo@auckland.ac.nz](mailto:studentinfo@auckland.ac.nz)

What in the World Do I Want to Study?

## Scholarships and Awards

The University of Auckland Scholarships: 100 Scholarships for top achieving academic students who also demonstrate all round ability, leadership potential and excellence in extra-curricular activities. The Scholarship provides tuition and compulsory fees for three years, an allowance for each year of this study of \$2500 or \$5000 depending on the place of residence of the student and, for students who live outside of Auckland, two return air fares to their home town in New Zealand a year. A third of these Scholarships are guaranteed to students from schools in the Auckland region, and a third to students outside the Auckland region. The other third are awarded to students from any region.

The University of Auckland Chancellor's Awards of Top Maori and Pacific Scholars: 44 Awards to top Maori and Pacific achievers from a wide range of schools. The Award provides tuition and compulsory fees for three years and other benefits, such as mentoring.

The University of Auckland Jubilee Awards: 135 Awards to school leavers based on academic merit and financial need. The Award provides \$2000 each year for three years of study.

The University of Auckland Alumni Scholarships: Scholarships to assist students who because of financial hardship may otherwise not be able to undertake a university degree. This Scholarship provides \$2500 each year for the minimum duration of an undergraduate degree programme. Schools are each invited to nominate one applicant for an Alumni Scholarship.

A range of endowed scholarships and prizes for school leavers in specific subjects and for specific areas of study.

### **Massey partners up with Air New Zealand**

Massey University's School of Aviation has been selected to partner with Air New Zealand's new training institute. This is great news for graduates and future graduates of Massey University's Bachelor of Aviation as it means that students who successfully complete the programme will be among Air New Zealand's preferred candidates for first officer positions when the airline is recruiting.

### **Victoria Excellence Scholarships**

Victoria Excellence Scholarships are now allocated to any students with their NCEA Level 2 Certificate endorsed with Excellence. Offers to applicants with this endorsement will be made at any time in the year prior to the commencement of their degree study although we would encourage them to apply earlier rather than at the last minute. (Conditions may apply) The NCEA Level 2 Excellent endorsement must be gained in the student's year 11 or 12 year.
