As a company we work hard to provide good quality uniforms that stand up to school life for a great price. As part of our quality control checks we have identified a batch of yarn that has not met our high standards and we have therefore rejected that batch. As a consequence of this we do need to wait for a new batch of yarn to be dyed and shipped to our factory in Fiji and this will unfortunately mean that the **Junior Cardigan** will not be available until early March. You will however, be able to backorder this item when you are in store purchasing the rest of your uniform. All other uniform items have passed our quality control checks.

As this uniform has many new requirements, we would like to remind you of our Uniform Club and PartPay which are alternative payment schemes. Our Uniform Club allows parents or other family members the opportunity to put aside funds in advance. For more information on our Uniform Club please go to our website - <https://www.nzuniforms.com/pages/uniform-club.htm>. We are also very pleased to announce that NZ Uniforms will also be offering PartPay both in store and online. PartPay allows you to spread the cost of your purchase over 4 fortnightly payments. More information about PartPay is available on our website. We also accept all major credit cards, WINZ cards, and offer finance through Gilrose.

All information concerning the new Carmel College uniform is on our website and we will continue to update this information regularly along with the school. Our web address for Carmel College is <http://carmel-college.nzuniforms.com>.

We would like to take this opportunity to thank you for your support and patience as we roll out your exciting new uniform, and we look forward to seeing you and your students in store soon.

Kind regards
