TERMS AND CONDITIONS

Thank you for offering to become a homestay for International students attending Carmel College and taking the time to complete the Application Form. As part of this application process, please read the 'Guidelines for Hosting an International Student' and sign our 'Homestay Carer Agreement' and carefully read the terms and conditions it contains.

<i>I/we acknowledge that the information provided above is true and correct. Primary and secondary caregivers to sign.</i>

A few points to note before submitting your forms:

- Every person living in your home (or someone who regularly stays overnight in your home) who is 18 years of age or over must submit a police vetting form
- Being a homestay family should not be relied upon as a constant source of income. Students come for short or long stays and when one leaves we may not be able to place a student with you again immediately.
- Homestay payments should be considered more of a reimbursement for costs associated with having an additional person in your family rather than an additional source of income.
- We are generally only able to accept homestay families who are within a few bus stages of our school. This is because students like to be able to easily get to and from school and to meet their friends at weekends and after school.
- Our peak demand periods for homestay families are: late January and July/ August
- Police vetting is carried out on all household members 18 years and older. Each family member is required to have a clear history.
